

Biennial Index

Spring 1988—Autumn 1989

By George M. Jenks

This index covers numbers 158, 159, 160, and 161 of *Railroad History*, Spring 1988 through Autumn 1989. The previous biennial index, covering numbers 154 through 157 (Spring 1986 through Autumn 1987), appeared in *Railroad History* 158, Spring 1988.

Every article is indexed under the name of the author, the title, and usually one or more subject headings. Locomotive rosters are listed under that heading and also under the name of the railroad with the subheading *Locomotives*. Book reviews are indexed only by title under that heading. Book titles are italicized. The number of the issue is in boldface type and the inclusive page numbers follow.
